

A brand new, exclusive opportunity for Museum Artist Members during Beaux Cadeaux 2017! The Art Museum (TAM) is offering the Museum Artist Group a shared booth space as part of TAM's Studio Store November 9 - 11 to sell their original, hand-crafted gift items, without the time and inventory required of Beaux Cadeaux artisans. *\*Please note that this is a separate opportunity from ARTmart, which will still enable Museum Artists to sell their affordable artwork during the holiday season including the Beaux Cadeaux event. Please see the ARTmart prospectus for details.*

Museum Artists working in all mediums are welcome to apply, but space is limited. Selection by the Beaux Committee will be based on the following criteria:

- original, quality handmade items, no commercially-made items
- hard-to-find or unique products
- a variety of price points

The number of items each artist will be invited to sell will be determined by space availability and the nature of the merchandise. All applicants are required to pay a **\$10 entry fee**. TAM will retain a **30% commission** on all sales. The retail prices you submit will be the amount that shoppers are charged and will include the 30% commission. Proceeds generated from this annual fundraising event help support TAM's exhibits and educational programming.
